

Building Inspector OR Senior Building Inspector

545 Talbot St, St Thomas, ON N5P 2T9, Canada Req #974

Date Posted: September 23, 2024

Internal / External

The Corporation of the City of St. Thomas -
Planning & Building Services Department has a position for a:

Building Inspector OR Senior Building Inspector

Permanent, Full-Time

Job Posting #974-09-24

Position Summary:

Under the general supervision of the Chief Building Official, is responsible for the administration and enforcement of provincial statutes and regulations applying to properties, including buildings, structures and their occupancy under their areas of responsibility, including but not limited to the Building Code Act, Building Code and Fire Code. Senior Building Official may be appointed to act as Chief Building Official in his/her absence.

MAJOR TASKS:

- Conduct site inspections in relation to issued permits to ensure the construction, use and condition is in conformity with approved drawings, applicable statutes, regulations and by-laws for all types of construction (residential, commercial, industrial and institutional) under their areas of responsibility.
- Conduct plan examination of applications for permit to ensure the proposed construction and use is in conformity with applicable statutes, regulations and by-laws for all types of construction (residential, commercial, industrial and institutional), as qualifications allow.
- Inform permit applicants, design consultants, construction professionals, builders, property owners or project managers as necessary of any discrepancies discovered during plan examination or site inspection and request all necessary changes to plans, submissions and any other additional information as may be necessary while maintaining accurate records and database management.
- Consult with permit applicants and the public with respect to the requirements of the Building Code (both technical and general) and departmental requirements as an aid in design, construction, and permit application processes.
- Respond to complaints and inspect properties to ensure their use and condition is in conformity with applicable statutes, regulations and by-laws. Write and issue orders as appropriate when a contravention is found and follow up as may be necessary. Report findings to the Chief Building Official for review and direction.
- Meet with staff, owners, public, contractors, consultants and professionals as required to provide appropriate advice and/or settle disputes or grievances ensuring timely and appropriate responses and subsequent actions.
- Interpret and explain procedures of inspections and give verbal and written approvals for various stages of construction as completed.
- Participate and co-operate with Fire Inspectors, Liquor Control Board Inspectors, Labour Inspectors, Police Officers and any other authority having jurisdiction as may be required.
- Perform and record all necessary calculations and verifications as required for permit review, including verification of all applicable approvals from and in cooperation with various Ontario government

- ministries and in full compliance with applicable law.
- Provide testimony as a witness before the Landlord Tenant Board when under subpoena.
- Post issued orders on site and ensure appropriate mailing procedures for the same have been followed.
- Review approved plans for on-site inspection purposes.
- Refer approved applications to the Chief Building Official for issuance.
- Respond to written and verbal inquiries with respect to construction under areas of responsibility and issue certificates of compliance or non-compliance.
- Assist the City Solicitor to prepare documentation for court action. Provide evidence and testimony as required. Represent the City at relevant legal proceedings or special hearings and attend meetings, as required.
- Prepare and submit reports to the Chief Building Official in the manner and form prescribed.
- Prepare and maintain data and records, both written and electronic, concerning all investigations, inspections, plan examinations and enforcement activities in a clear and concise manner consistent with the requirements of pertinent legislation, regulations and by-laws of the Corporation.
- Attend seminars, workshops and training courses as required and/or approved.
- Performs such other related duties as may be assigned.

*This is illustrative and not all inclusive.

Building Inspector Qualifications:

Minimum two (2) years Post Secondary School Diploma in a Building Science (Engineering, Architecture, Building, and/or Construction) field together with two (2) years experience in a related field, or an equivalent combination of education, training and experience in the building industry. Must have passed the examination program administered or authorized by the Ontario Ministry of Municipal Affairs and Housing (Building and Development Branch) relating to "General Legal/Process" and the qualification in the category of "House," or be willing to attain within a reasonable timeframe. Must possess and demonstrate a working knowledge of building and plumbing regulations. Must have, or be eligible for, membership in the Ontario Building Officials Association (OBOA) and have obtained or be willing to work to attain the completion of up to eight of the applicable qualification categories through the Ontario Ministry of Municipal Affairs and Housing (Building and Development Branch) within a reasonable timeframe. Must have or be willing to work towards the Certified Building Code Officer (CBCO) designation. Membership and/or courses attained through the Ontario Association of Property Standards Officers (OAPSO) is considered an asset. Must be competent within the meaning of the Occupational Health & Safety Act. Must have excellent computer and record management skills, including the use of the Microsoft Office 365. Must have highly effective organizational, time management and research skills with attention to detail. Must be capable of issuing clearly understandable written instructions, work as part of a team and develop cooperative and collaborative working relationships inside and outside the organization. Must have superior public relations and customer service skills, as well as the ability to deal authoritatively, but politely with difficult customers. Must have the ability to work independently with minimal supervision. Must have physical capability to carry out duties with the position classification (i.e. climb ladders, walk over rough terrain, enter confined spaces). Must hold, or be able to acquire, valid First Aid and CPR certificates.

Building Inspector Remuneration Range: \$27.73 - \$39.44 per hour commensurate with experience and qualifications working 40 hours per week plus a comprehensive benefit package and OMERS pension.
